

## Trannyshack's Australia Day

27.01.10

The **TRANNYSHACK** girls went Down Under for one night only and delivered a series of spectacular shows for **AUSTRALIA DAY** Wednesday before last.

**Tasty Tim** looked spunky in a pink mullet, **Vesta Bules** had the crowd roaring with laughter, and there were tons of hot guys out and about as well. **Ritz Crackers** took to the stage with another outrageous act before **Heidi Liscious**, **Vida La Diva** and **Vanity Faire** stole the show with a routine that wouldn't have looked at all out of place in Priscilla: The Musical.

Blonde bombshell **Dusty O** later told Boyz, 'Our Oz fest went extremely well. Our guest artistes were the highlight of the night - I really never knew **Heidi Liscious** could move like that! Our themed nights are always popular and we have some great ones coming up including the annual **Trannyshack Pageant** featuring **Mary Mac** and one of the best Whitney tribute acts I have ever seen.'

• **Trannyshack is on this Wednesday (10 Feb) from 10.30pm until 3am at Madame JoJo's, 8-10 Brewer Street, Soho, W1.**
